Empowering Survivors of Relationship Violence (This is for men & women)

Come to St. Peter on Saturday, March 7th at 4 pm or March 8th at 9 am to hear a presentation from Michelle Markgraf – Director of Family Support Services with Kingdom Workers. Survivors of relationship violence often keep their experiences to themselves out of fear, guilt, and shame. A survivor might be sitting in a seat not too far from you. Thankfully you are in a unique position to offer lasting help and healing to survivors of relationship violence. 1 in 3 men and women have experienced and 1 in 4 women and 1 in 10 men have reported a relationship violence-related impact during their lifetime. Learn how you can help a survivor.
