| Sunday Morning 9:00 am 9/15/19 – 9/29/19 | Seeing the Hidden God - Apologetics | St. Peter Ministry Center | How do we know that God exists? Is the Bible really true? Are human beings God's special creatures or are humans just products of evolution? This three-part series will focus on these questions and the ways we see God all around us. This is great material to have in hand when we have those discussions about God with unbelieving friends, family or coworkers. |
| 30 Min Sunday Morning 10:15 am 9/15/19 – 10/27/19 | New testament Themes and Words | St. Peter Ministry Center | How would you feel if I were to call you a child? Probably insulted. "I'm 33 years old." Yet Scripture does call us, "Children of God." The New Testament uses many terms like this that would be insulting in our culture. By the work of the Holy Spirit, we take great comfort in concepts such as this. This six-week Bible study briefly explores concepts like Kingdom of God, Reconciliation, Body of Christ, etc. These are brief 30-minute looks. Come join us for faith and fellowship. |
| Fall Wednesday Evening Bible Study 6:30 pm 9/11/19 – 10/23/19 <i>Please signup online or through phone app</i> | An In-depth Look at The Letters of John | St. Peter Ministry Center | John was called the "Disciple that Jesus loved." He was part of the inner circle of Jesus. He saw him in his glory on the mountain. The time John spent with Jesus influenced him greatly. By God's grace, John wrote the Gospel of John. He recorded the book of Revelation. He also wrote three letters. One of those letters was written to the churches in Asia Minor. Those churches were in harm's way because of false teachers. John talks about what "Real" Truth is. He points his readers to Christ. In this seven-lesson series we'll see how John's points are just as relevant today when it comes to finding RealTruth. |
