

T R U T H I N L O V E M I N I S T R Y

We are excited to introduce our 2015-16 Mission Partner for St. Peter & The CORE. This is our fifth annual mission partner for our congregation. Our partner for the upcoming year is Truth in Love Ministry (TILM), a national outreach effort to Mormons, led by Pastor Mark Cares. The mission of TILM is to bring as many as possible to heaven. TILM proclaims God's wrath and grace with love and respect to Mormons and equips Christians to do the same. As Pastor Cares has said, "If you can witness to a Mormon, you can share Jesus with anyone!"

And so it is our goal this year to grow in our own evangelism efforts in Appleton while also learning about Mormonism. We will also partner with this ministry through our prayers and generous support. Our mission partnership kicks-off October 1 & 4 when we welcome Pastor Cares to Appleton. He will lead worship at St. Peter and The CORE and share his story with us at a variety of events in October and throughout the year.

We will continue to update you on our mission partner events and welcome your participation, prayers and support of TILM throughout the year!
