PARENT SCHOOL SPEAK LOGIN

INFORMATION—St. Peter Lutheran School uses a variety of tools to communicate with parents. One of those tools is School Speak, our student information system. Teachers use School Speak to take attendance, record grades, produce progress reports, and communicate with parents. Our office uses School Speak to communicate school closings and weather delays. Parents can use School Speak to monitor their child's school progress. Parents that have never used School Speak received an email with login and password information. If you did not receive this email, please check your spam folder. Parents who used School Speak last year, your login and password have not changed. Parents, if you cannot remember your login or password, please contact Mrs. Michelle Tellock, one of our office assistants. She will send you an email with the information that you need.

FVL SCHOOLS COMMUNITY NIGHT—

TEENAGE SUICIDE: WARNING SIGNS AND PREVENTION

—Join parents from around the Fox Valley as we grow in God's Word and learn how to support one another. "Teenage Suicide: Warning Signs and Prevention" is a **free** event focused on identifying the warning signs of depression, suicidal thoughts, or self-harm in children and teens, whether they are in your own family or another's. Free childcare will be provided. The speaker for this event is Elizabeth Robinson, a licensed professional counselor specializing in children and adolescents with a focus on depression, anxiety, suicidal ideation, and self-harm.

COMET CROSS-COUNTRY—On Monday, September 11, the cross-country team will participate in the Emanuel, New London, Cross Country Meet. This race will take place at Hatten Park in New London.

For 5th-8th graders looking for a more competitive environment, a tournament team will begin practice in December with tournament play after Christmas.
