

# Notes from the Classroom

April 24-28, 2017

## Jesus Ascension

Luke 24:50-53; Acts 1:1-11

Jesus was on this earth for 40 days after Easter, showing his disciples that he was alive. He taught them to witness to all the things they had seen and heard. He assured them he would be with them always. Jesus allowed them to watch him ascend to heaven. Angels told the disciples Jesus would return, and the disciples went to Jerusalem to wait for the Holy Spirit's coming.
