

# WEEKLY NEWS

St. Peter ECM

Week of February 19-23, 2018

## BIBLE TIME

Zacchaeus  
(Luke 19:1-10)

A tax collector named Zacchaeus climbed a tree so that he could look over the crowd and see Jesus. Jesus found Zacchaeus, went to his home, and brought Zacchaeus to faith in him as the Savior. Zacchaeus was sorry for his sins and gladly showed his love and thanks to Jesus by sharing what he had with others and by returning more than what he had stolen.

We will also explore measurement this week during small group, learning about volume and capacity. We will practice following a recipe. We will make "toy soup." We will investigate "How Many Drops to fill a Circle?" We will also make instant snow!

## MOVEMENT

This week we will hold our own Preschool Olympics! We will compete in speed skating, figure skating, bobsled races, skiing, and hockey. We're training for gold already!

## RECALL TIME

We will use a timer to measure how long the children need to recall. Do they need a long or short time? The students will also bring back a toy they played with and measure to fit it in a small, medium, or large bag.
