A Note from the Haag Family

To Our St. Peter Family,

Words just are not enough to express how overwhelmed (in a good way!) we are at the outpouring of love & generosity, prayers, and support we have received from all of you.

I just could not believe my eyes when I opened that beautiful card and all of the gifts that poured out as well.

I cannot even express how grateful I am for our church and school—we love it and our baby girl, Emma, LOVES it...and that means the world to us.

Thank you, thank you, thank you!
