Points to Ponder

1. What is the difference between sin and sins?
2. AGREE or DISAGREE We should talk less about our sin and more about our Savior.
3. If death is defined as separation from the blessings of God, discuss how Adam and Eve died physically and spiritually the very day that they sinned. Why didn't they die eternally?
4. If sin has negatively impacted us psychologically, relationally, physically and spiritually, how does Jesus positively impact us in each of those areas?
5. When they were expelled from Eden, Adam and Eve had one Gospel promise to cling to. How many Gospel promises can you name that we can cling to?
