

5th Annual Q&A Sunday

Your Questions, God's Answers

Weekly Summary: Do you have questions about God? Or about faith? Or about different religions, different churches, and different ideas? We all do, but often we are scared to ask them. That is why The CORE's Q&A Sunday started. In place of a regular message, we will take time to anonymously ask questions and find the passages with Jesus' answers. We hope you can join us for Q&A Sunday!

◆ Q&A: Round 1

◆ Q&A: Round 2

◆ Q&A: Round 3

Points to Ponder

1. Which question/answer from this service did you find the most interesting? Most challenging? Most comforting? Share your answers with a friend.
2. If you had to list your top two questions about faith/God/church/etc., what would they be? Have you asked those questions of knowledgeable Christians, like long-time Bible readers or pastors at your church? If not, reach out this week and ask if they can help provide some Bible-based answers.
3. Study 2 Timothy 3:14-17. Take note of at least three powerful reasons we treasure the Bible in our lives. In light of your schedule/job/family/etc., how could those reasons help you in the upcoming week?
