Points to Ponder

1 Jesus commanded his disciples to "Baptize . . . in the name of Father, Son and HS" and "Teaching them everything." List ways in worship and education that we at St Peter teach and confess God as Triune.

2 Each person of the Trinity acts for your salvation, list at least one blessing that you enjoy from each, the Father, from the Son and from the Holy Spirit.

3 The Holy Spirit did some serious construction and remodeling in the lives of the 12 disciples. Give/share examples of changes you've experienced due to the Holy Spirit's work.
